This is in response to the Amendment submitted November 14, 2003. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.

Claims 1-25 are currently pending in this application.

#### **Election/Restriction**

1. The cancellation of non-elected claims 16-25 by Examiner's amendment below has been noted. Applicant may re-file said claims in a divisional application.

#### **Claim Rejections - 35 USC § 103**

2. The 35 U.S.C. § 103 rejections as set forth in the previous Office action have been **withdrawn** in view of the convincing arguments made by Applicant in the response submitted November 14, 2003.

#### **Drawings**

3. New corrected drawings are required in this application because the current drawings in the file are informal drawings. Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.
